NOTICE

Attention: Boarders of Off-campus hostel

This is for the information of all students staying in off campus hostels that the agreement with the Hostel was for one year(August 2019-July 2020) and under this uncertainty situation, it is not clear when new session with class room teaching will begin. Further as the hostel provider is taking Rs 1000/ per month per student which will be a unnecessary financial burden on the students.

Therefore, the college has decided not to renew the contract further and vacant the hostels. As it is not possible for the hostel boarders to come to the hostel and shift their belongings so college has planned to shift the same by engaging reliable packers and movers. It has instructed to the transporter to pack the belongings room wise with identity tag to avoid problems. The entire process starting from packaging to safe unloading in the campus will be monitored by college representatives.

If any boarder wants to present during packing contact the hostel owner.
