NOTICE

This is for the information of all students that the institute is losing its bonafide students every year due to road accidents caused by high speed, rash and immature driving by them. In this regard a meeting of all faculty was convened on 16th April 2018 and the followings will be implemented with no scope of deviation as resolved in the meeting.

All the concerned boarders of the hostels are required to take the motor cycles/Scooters/Scotties they possess back home within 7 days from the date of this notification failing which their hostel seat will automatically get cancelled till the end of their course.

The day scholars are hereby informed not use motor cycles/Scooters/Scotties for coming to college from the next academic session(July-December 2018). However, they can opt for transportation facility provided by the off-campus hostel owner. They need to apply for the same when such notification from institute is displayed by the end of this academic session(31st May 2018). Such notice will also be displayed in college website.
