Seminar on Women Empowerment

6-7 March 2020

ABOUT US

Parala Maharaja Engineering College (PMEC), Berhampur is the first Government Engineering College (NAAC Accredited) in Southern Odisha. It was established in the Year 2009 as the Constituent College of BPUT, Odisha. Since its inception, it has emerged as one of the premier technical institute in the state. The main objective of the institution is to produce quality engineers in various streams. The institute is well known for its well qualified, proficient faculty members and competent students. At present, the campus spreads over 85 acres which consists of Academic Block, two Workshops, one Multipurpose Utility Block, three Halls of Residences, Open Gym, Playground, Guest House & Staff Quarters. The college offers nine B. Tech and seven M. Tech courses. The silk city Berhampur is located on the eastern coast-line of Odisha. It is one of the oldest cities of the state famous for its silk works, temples and culture.

OBJECTIVE OF THE SEMINAR

- ◇ To highlight the existing social legislation, government enactments and policies with their implementation.
- ◇ To highlight the importance of women empowerment in bringing gender equality and enhancing the social status of women.
- ◇ Giving a platform to boost morale for being a part of social and economic growth.
