**About PMEC**

Parala Maharaja Engineering College (P.M.E.C), Berhampur came into existence in the year 2009 on 26th April, as a constituent Government Engineering College of Biju Patnaik University of Technology (BPUT), Odisha, India with an area of nearly 80 acres. Now this college acts as a Government Autonomous college affiliated to BPUT, Odisha from the year 2021. It has 8 B.Tech programmes and 5 M.Tech programmes with 10 departments. It is also acting as Nodal Center of Research under BPUT to conduct Ph.D. programmes.

**About CSE**

The Department of Computer Science and Engineering at PMEC is renowned for imparting quality undergraduate education and preparing its students for real-world challenges. The department is equipped with state-of-the-art infrastructure facilities like CoEs in Cyber Security, High Performance Computing, Hardware & Networking laboratories. The faculties of the department have dominant research experiences in recent fields like AI, Block-chain, Cloud & Edge Computing, Social Network Analysis, Software Defined Networks, Image Processing, and Vehicular Adhoc Network.

**About the Internship**

The internship program is planned to impart knowledge about basic research and automated problem solving methodologies in the recent fields of computer science & engineering and allied domains, leading to innovative ideas, prototypes and products development. At the end of the internship program, participants will be able to: understand research steps & methodologies, know team-based work and apply theoretical knowledge in real-world problem solving.
