ANNUAL ACTIVITY REPORT
Academic Year 2025–26

Event 1	Think-o-Mania

About the Event:

Think-O-Mania, organised by our college, provided students with a platform to showcase their logical thinking, creativity, and problem-solving skills. The event encouraged intellectual curiosity, teamwork, and healthy competition through engaging activities. It offered participants an opportunity to challenge themselves, exchange ideas, and enhance their critical thinking abilities.

Event 2 | Pitchathon

About the Event:

Pitchathon, organised by our college, provided students with a platform to present their innovative ideas, entrepreneurial thinking, and problem-solving approaches. The event encouraged creativity, effective communication, and confidence while allowing participants to showcase their concepts and receive valuable feedback. It fostered innovation, collaboration, and an entrepreneurial mindset among students.

Event 3 — Management Development Programme

About the Event:

The Management Development Programme, organised by our college, aimed to enhance managerial skills, leadership qualities, and professional knowledge among participants. The programme provided valuable insights into effective management practices, teamwork, decision-making, and communication. It encouraged interactive learning, professional growth, and the development of essential skills required for effective leadership and management.
